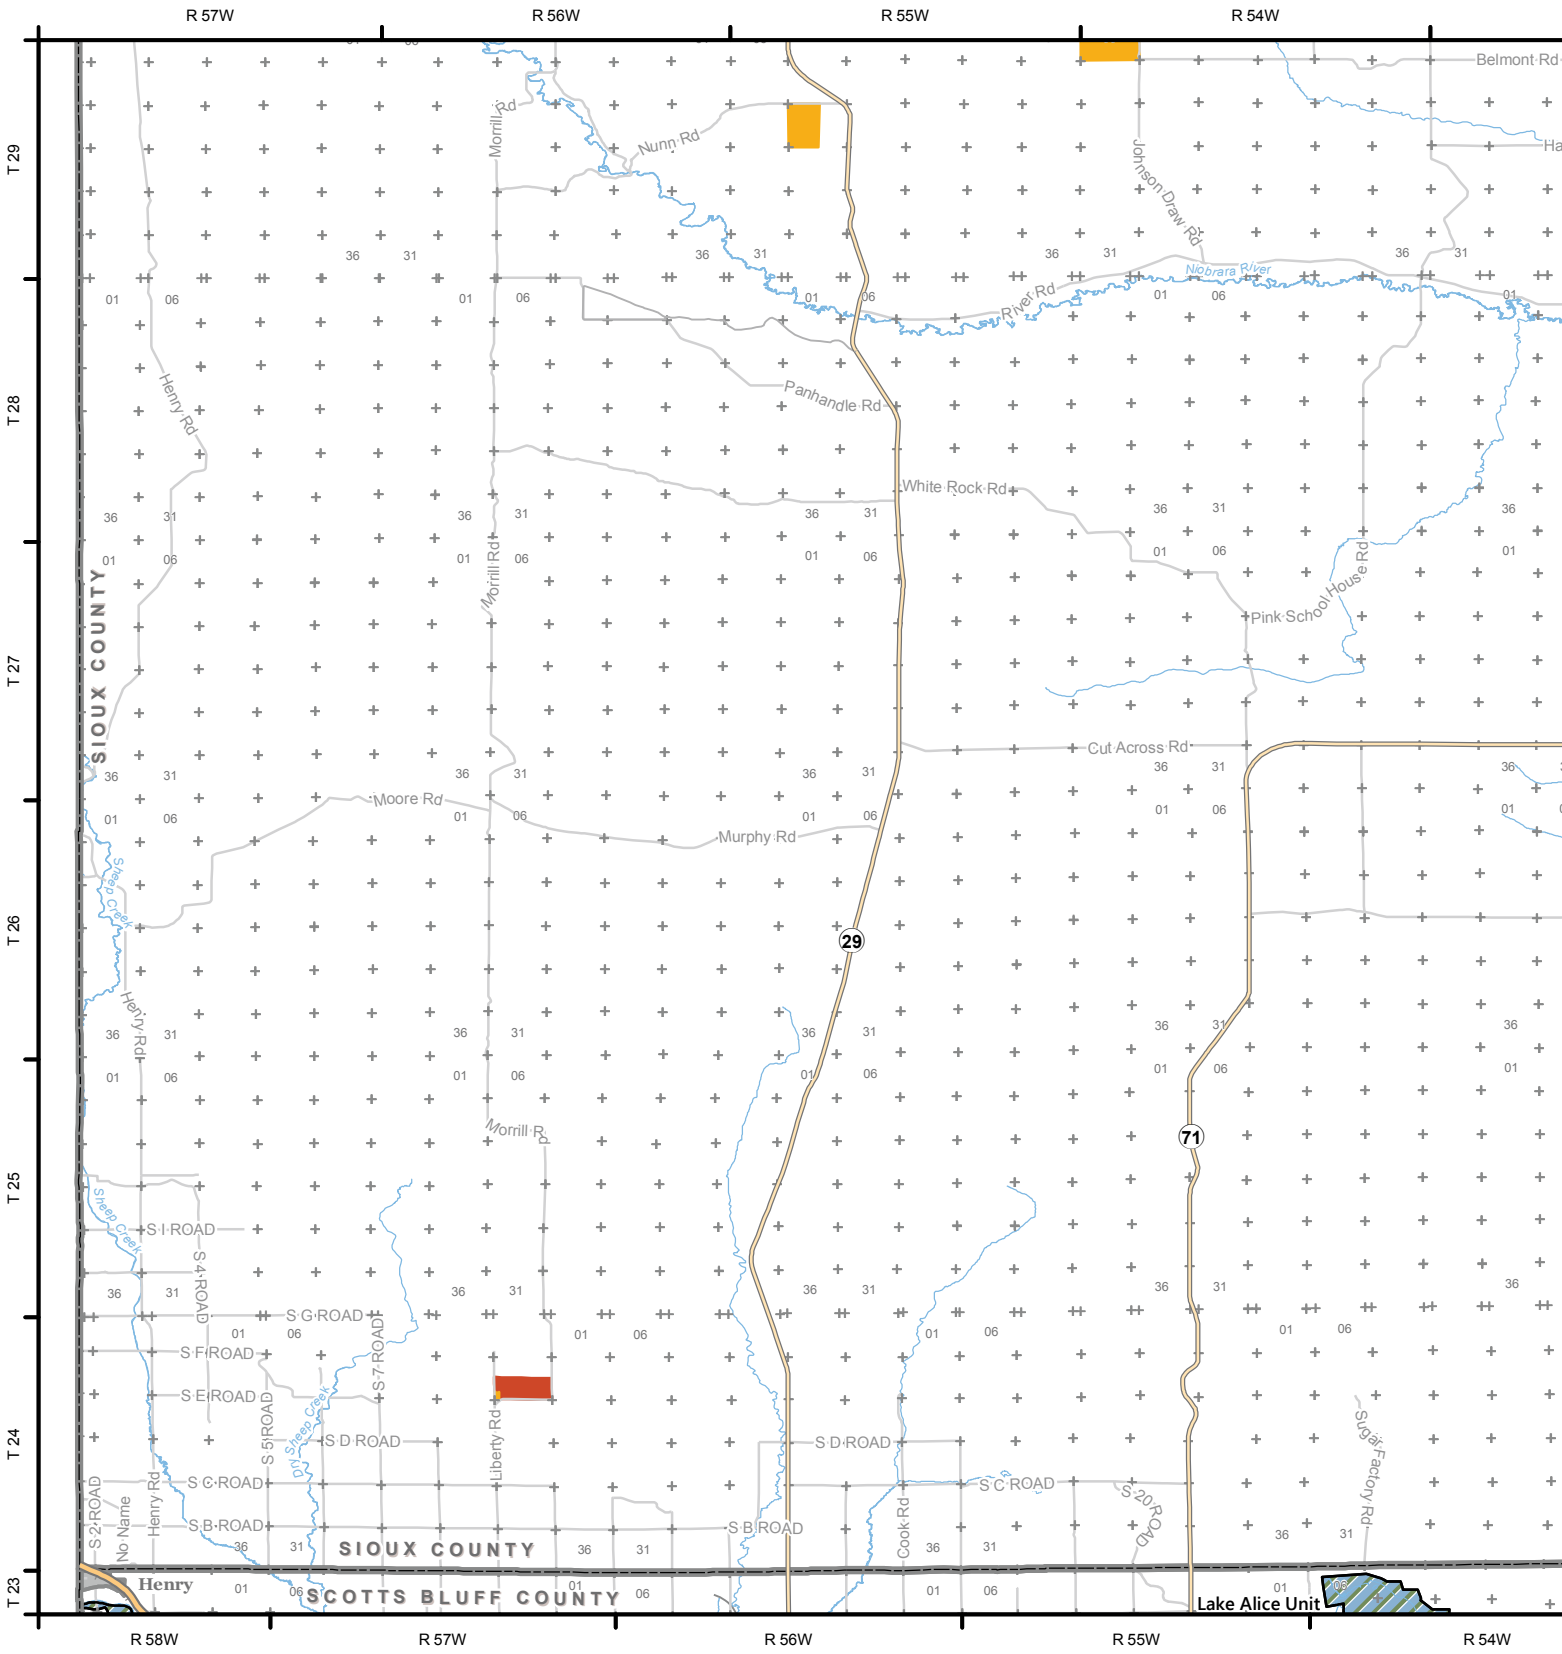
Map Sheet 2

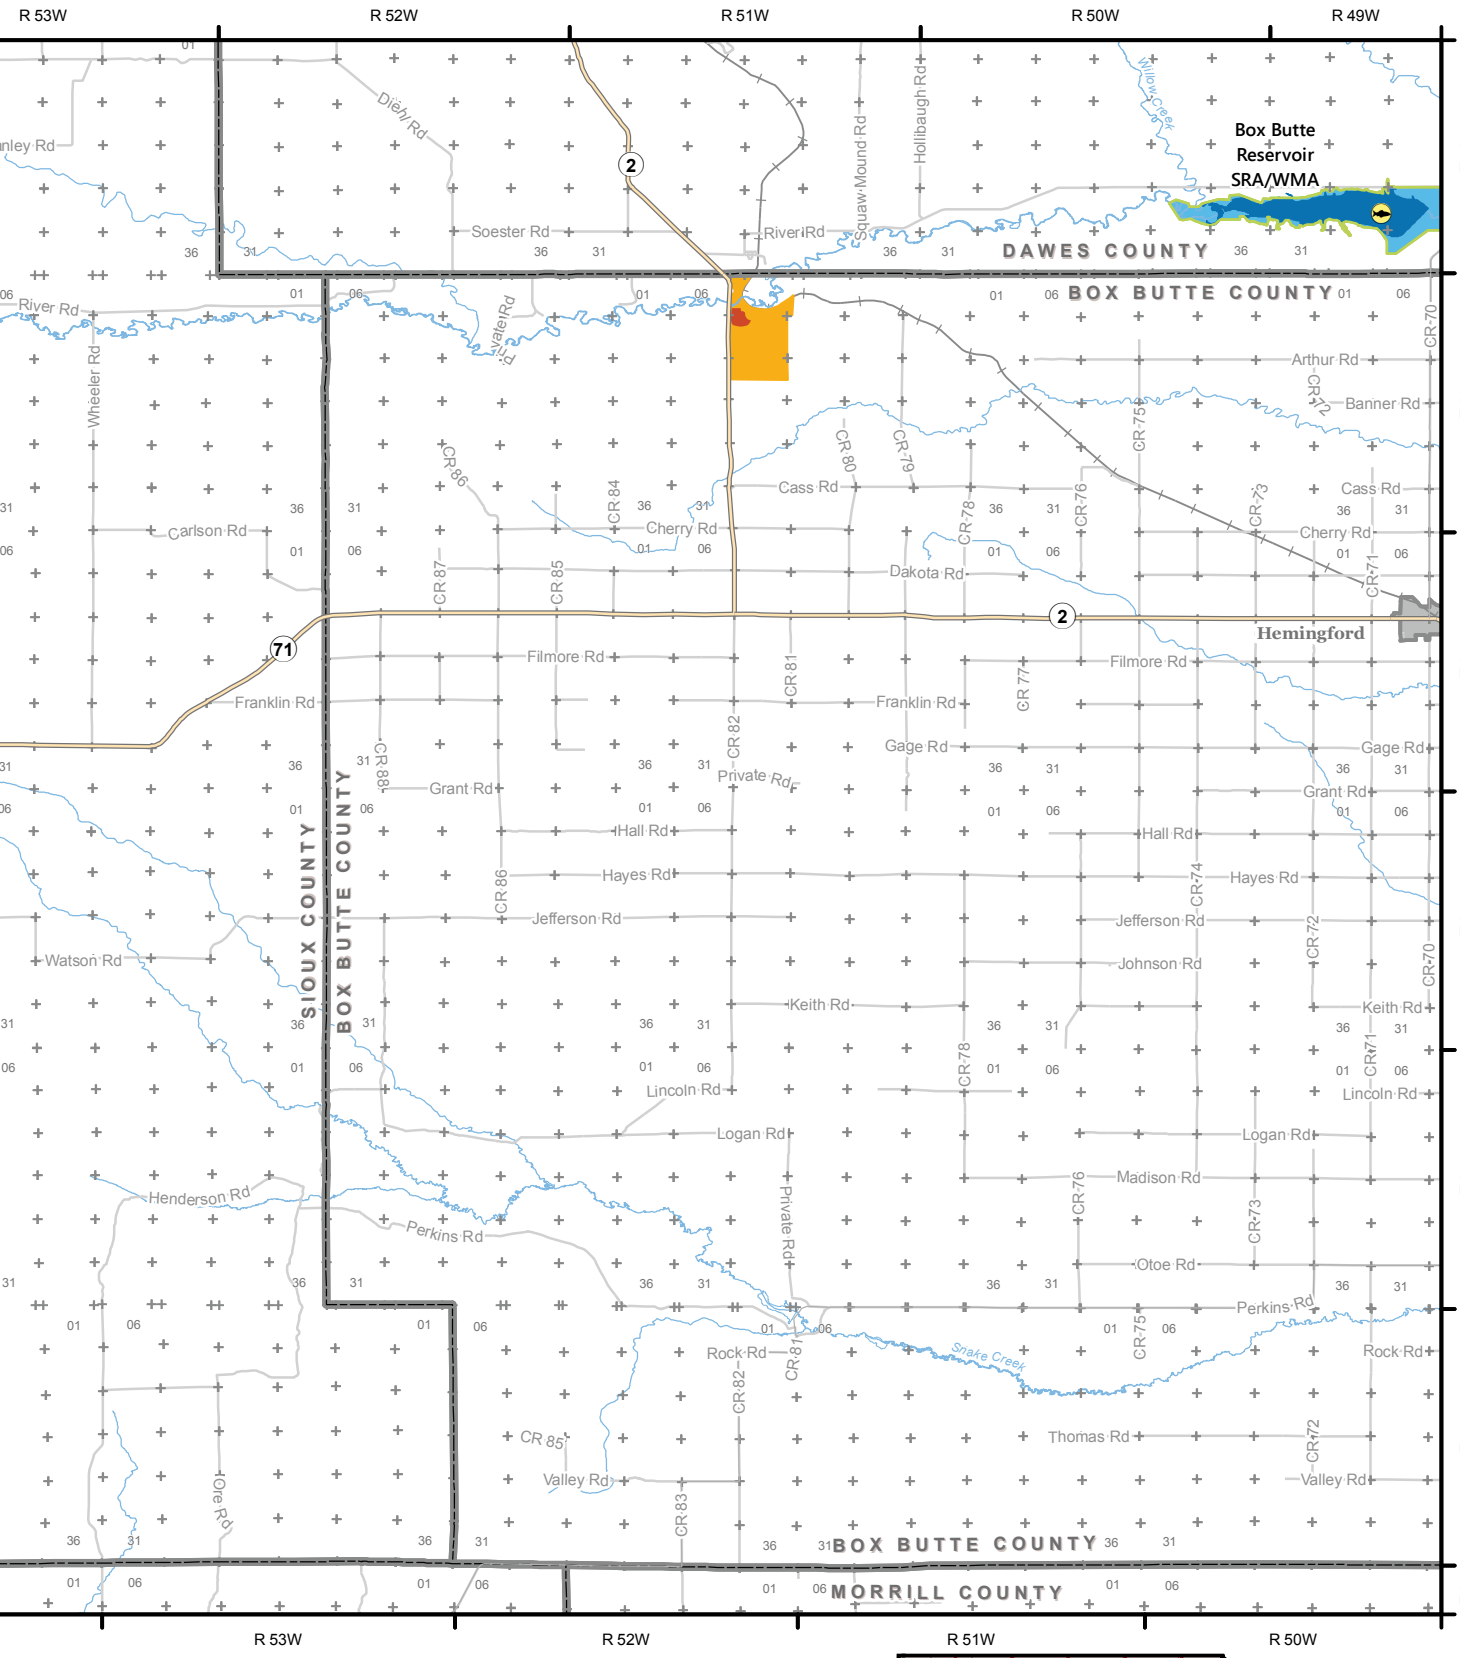


Public Fishing Sites

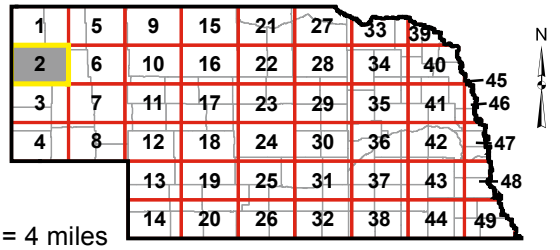
CRP Lands Open to Hunting & Trapping

OFW All Hunting Seasons & Trapping

NGPC State Recreation and Wildlife Management Area



Additional hunting areas on tall wheat and milo stubble will be added after the atlas printing deadline. These areas provide great hunting opportunities for upland game and other wildlife. After September 15th, please visit outdoornebraska.org/publicaccessatlas/ for locating these small grain stubble sites.



1 in = 4 miles
