

Map Sheet 6

- Public Fishing Sites
- OFW CRP Open to Hunting and Trapping
- OFW Open to Hunting and Trapping
- NGPC State Recreation Area
- NGPC Wildlife Management Area

Over 20,000 acres of tall wheat and milo stubble fields are enrolled in OFW after the printing of the atlas. These sites are open to public hunting and will be added to the online versions of the atlas. Please visit outdoornebraska.org/publicaccessatlas/ after Sept. 15th to view these properties.
