001 General Regulations Governing Shooting Range Performance Standards

The following regulations are prescribed by the Game and Parks Commission, State of Nebraska in accordance with Neb. Rev. Stat. §§ 37-1301 through 37-1310. For purposes of these regulations, unless context otherwise requires, the definitions found in 28-1201 and 37-1302 are used unless context otherwise requires. These regulations are effective following enactment by the Commission, approval by the Attorney General and Governor, and when five days have elapsed since filing with the Secretary of State.

001.01 Shooting Range Performance Standards

001.01A As provided in 37-1302, Shooting range performance standards for Nebraska shall mean those published in the revised edition of the National Rifle Association’s Range Source Book titled “A Guide to Planning and Construction” as such book existed on January 1, 2009. A copy of said manual is available for inspection by the public at the headquarters of the Nebraska Game and Parks Commission as the size of said manual is in excess of 50 pages.

001.01B Shooting Range Performance Standards shall be reviewed by the Commission at least once every five years as necessary for the continued safe operation of shooting ranges in Nebraska. Amendments, revisions and up dates to the revised edition of the National Rifle Association’s Range Source Book titled “A Guide to Planning and Construction” shall become effective upon adoption by the National Rifle Association and when provided to the commission.
The following regulations are prescribed by the Game and Parks Commission, State of Nebraska in accordance with Neb. Rev. Stat. §§ 37-413 and 37-414. For purposes of these regulations, unless context otherwise requires, the definitions found in 28-1201 and 37-413 and 37-202 through 37-247, are used unless context otherwise requires. These regulations are effective following enactment by the Commission, approval by the Attorney General and Governor, and when five days have elapsed since filing with the Secretary of State.

002.01 The Commission shall administer Hunter and Bowhunter Education programs and issue Apprentice Hunter Education Exemptions as prescribed in 37-413 and 37-414.

002.01A Firearm and bow hunter education certificates of successful completion may only be issued by persons trained and currently authorized by the Commission.

002.01B Certificates of successful completion shall only be issued to persons who have completed the accredited training program as approved by the Commission.

002.01C The Commission may assign a unique number associated with a certificate for an Apprentice Hunter Education Exemption or certificate of completion for hunter/bow hunter education.
education. The unique number, when made part of an electronic license issued by the Commission, shall serve as proof of successful completion of hunter or bow hunter education training or an Apprentice Hunter Education Exemption certificate.

002.01D The Commission may accept as proof of successful completion for required firearm or bow hunter education training any certificate of successful completion recognized by the Commission that utilizes standards established by the International Hunter Education Association provided that the certificate of completion uniquely identifies the individual.

002.01E An Apprentice Hunter Education Exemption Certificate or renewal may only be applied for by eligible individuals who provide the required fee and the following information: full name, mailing address, date of birth, gender, height, weight, colors of hair and eyes, last four digits of their social security number and daytime phone number.

002.01E1 Renewal applications for an Apprentice Hunter Education Exemption Certificate may only be made in the calendar year immediately following issuance of the original certificate.

002.01F It shall be unlawful for any person to provide false information or any false statement pursuant to section 002.
