

Enclosure 4. Fifteen Year Review, Nebraska Game and Parks Commission's Instream Flow Appropriations, For The Central and Lower Platte River.

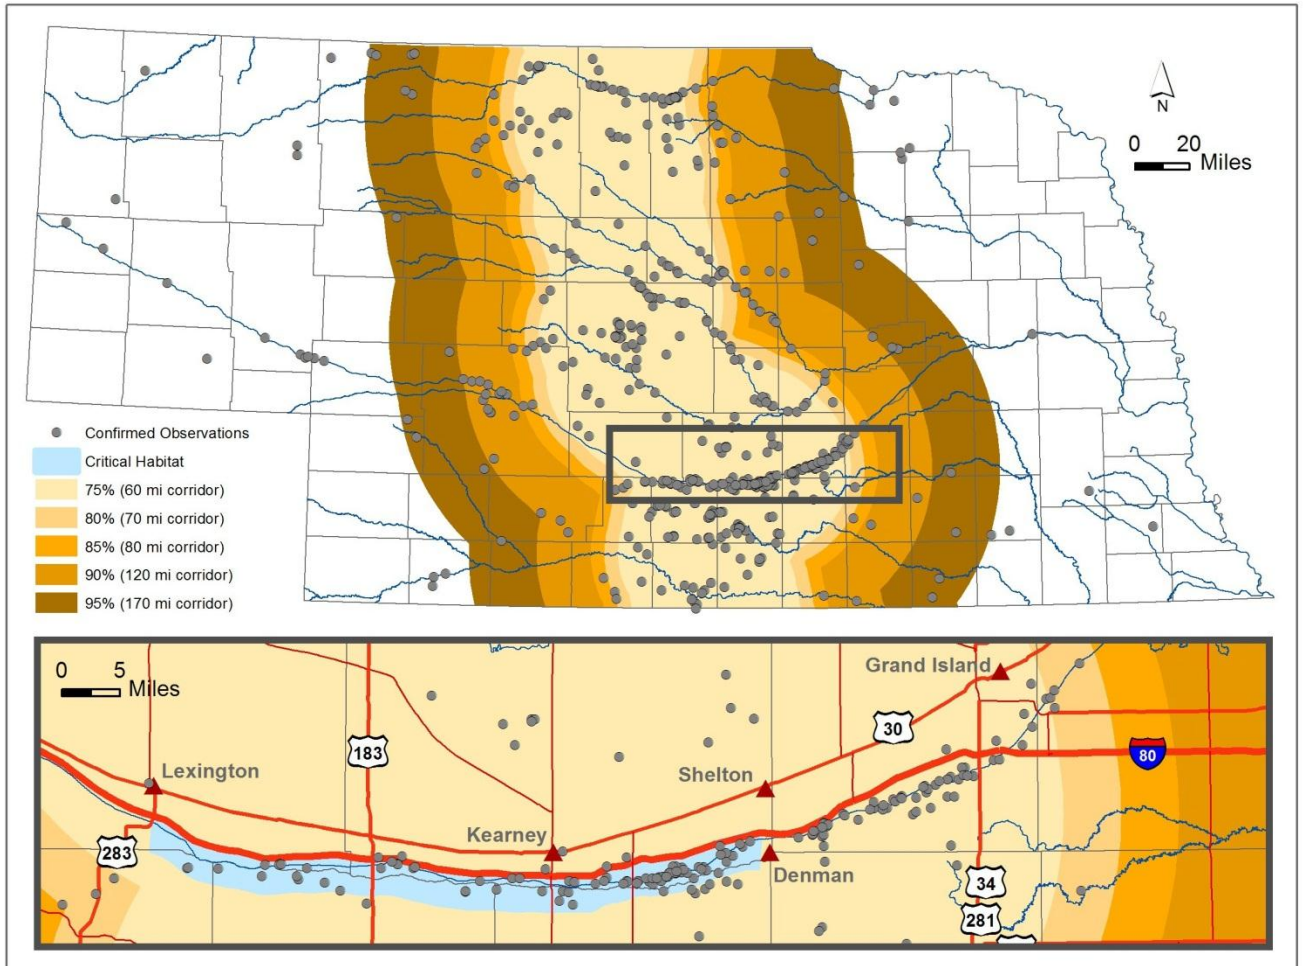

Figure 1. Confirmed Nebraska Whooping Crane records (dots) 1942-2011 and critical habitat (inset, blue-shaded area). Continuous (smoothed) migration corridors show the respective percentage of records captured by areas of increasing distances from the migration corridor centerline, as developed by Brei et al. (2009). Whooping Crane data courtesy of the U.S. Fish and Wildlife Service. Map by R. Simpson, Nebraska Natural Heritage Program, Nebraska Game and Parks Commission.
