

WELCOME!
You're welcome year-round at Eugene T. Mahoney State Park! Remember, a valid Park Entry Permit is required for all vehicles entering the park. Have an enjoyable visit and please ask any park employee if you need help or have a question.

FISHING - Fishing is permitted on both Owen Marina Baright Lake and CenturyLink Lake. Special regulations apply. A pamphlet outlines regulations, hours and limits. Trout are stocked in CenturyLink Lake during fall and winter only. Please abide by all regulations and enjoy your fishing experience.

PETS - Please keep pets leashed and attended at all times when on the park grounds. Please, no animals, except seeing and other service dogs, are allowed in Kiewit Lodge or any other public buildings.

HIKES and BIKES - Six miles of hiking trails wind through the park, mostly amid the oak stands between Kiewit and Riverview lodges. A nature trail loop near Kiewit Lodge identifies common trees and shrubs. Paved trails connect Owen Marina, Giger Waterway, James Conservatory and the Family Aquatic Center. Bikers, please ask at the park office for trail routes.

The land for Eugene T. Mahoney State Park was acquired in the spring of 1985. Development of this exceptional park progressed rapidly, with much of the funding coming from private donations to the Nebraska Game and Parks Foundation. Federal grants and state funds also financed development projects. The park opened in May 1991, the first state park in Nebraska designed for year-round operation.
