The land for Eugene T. Mahoney State Park was acquired in the spring of 1985. Development of this exceptional park progressed rapidly, with much of the funding coming from private donations to the Nebraska Game and Parks Foundation. Federal grants and state funds also financed development projects. The park opened in May 1991, the first state park in Nebraska designed for year-round operation.

← To Strategic Air Command & Aerospace Museum

To Interchange 426 Interstate 80

To Lee G. Simmons Conservation Park and Wildlife Safari (1 mile)
