

- Public Fishing Sites
- OFW CRP Open to Hunting and Trapping
- OFW Open to Hunting and Trapping
- NRD Recreation Area

In portions of western Nebraska an additional 40,000 acres of tall wheat or milo stubble and adjacent habitats are enrolled in OFW after the printing of the atlas. These sites are open to public hunting and will be displayed in the Stubble Access Guide. They will also be added to online versions OutdoorNebraska.org/PublicAccessAtlas/ after Oct. 1st.
