Special Elk Depredation Season (SWEPK22-1)

June 21, 2022

To whom it may concern:

Due to elk causing excessive property damage, I am exercising the authority granted under Nebraska Revised Statute 37-448 to designate a special elk depredation season within the following geographic area within the Box Elder/North Platte River Elk Units: Those parts of Lincoln, Perkins, Keith, Duel, and Garden Counties enclosed by a line commencing at the junction of NE HWY 25 and NE HWY 23, then west on NE HWY 23 to NE HWY 61, then north on NE HWY 61 to I 80, then west on I 80 to NE HWY 138/RD. 207, then north on NE HWY 138/Rd. 207 to NE HWY 26, then east on NE HWY 26 to NE HWY 61, then north on NE HWY 61 to Keystone Lake Rd./Sarben Rd. then east on Keystone Lake Rd./Sarben Rd. then south on East V North Rd. to Rd. East 120, then east on Rd East 120/West Sarben Rd. to W. Snake Rd., then northeast on W. Snake Rd. to West Co. Rd., then south on West Co. R. to NE Hwy 25, then south on NE HWY 25 to NE HWY 23 junction.

The objective of this special depredation season is to utilize hunters to remove as many elk as possible from the designated geographic area to expediently alleviate damage issues.

- Valid on private lands only
- Unlimited permits for purchase
- Bag limit will be one elk of either sex per permit
- Unlimited quota of harvested elk within designated geographic area
- The season would begin July 1, 2022 and end on July 31, 2022
- Shooting hours are 30 minutes before sunrise to 30 minutes following sunset
- All legal weapons allowed during special depredation season
- Landowner permits only valid on farm or ranch land owned or operated within the designated geographic area

It is so ORDERED on this date of June 21st, 2022.
