

NASP SCORING GUIDE – VIRTUAL Tournament

Tournament Scoring Procedure:

Scoring will be conducted as laid out by certified archery instructor to meet local, state and/or regional health directives as well as to ensure honesty and integrity of the event.

Archers shall call a Line Judge or Range Safety Officer for any questions regarding the score of an arrow(s).

Scores will be recorded properly on the scorecard.

Archers must initial in the appropriate spot at the end of every scoring end and sign their card at the completion of shooting.

Accurate score calculation, including the number of 10's shot, is mandatory.

Coaches shall retain completed scorecards until tournament results are finalized.
