

# How to Apply for a Draw

**To apply for a draw permit you have three options:**

Apply as an **Individual, Group Leader** or **Group Member**.

**Buddy (group)** applicants are for two applicants only. Applicants must share the same residency status. If there is a difference in preference points, the applications will be assigned to the applicant with the lowest preference points.

Multiple applications may be purchased in the same transaction using Friends and Family. (If you haven't already set up your Friends and Family list do so before applying.)

Since 1984, tax deductible donations to the Nebraska Wildlife Conservation Fund have helped the thousands of species that call Nebraska home. Wildlife Conservation Fund projects help those species considered non-game, or those that are not hunted or fished. Donated dollars have big impact, since Wildlife Conservation Fund dollars are matched with other grants, so that a dollar donated becomes 4 dollars for helping wildlife. [Learn More](#)
