

# **Merritt Reservoir Brushing Project Update**

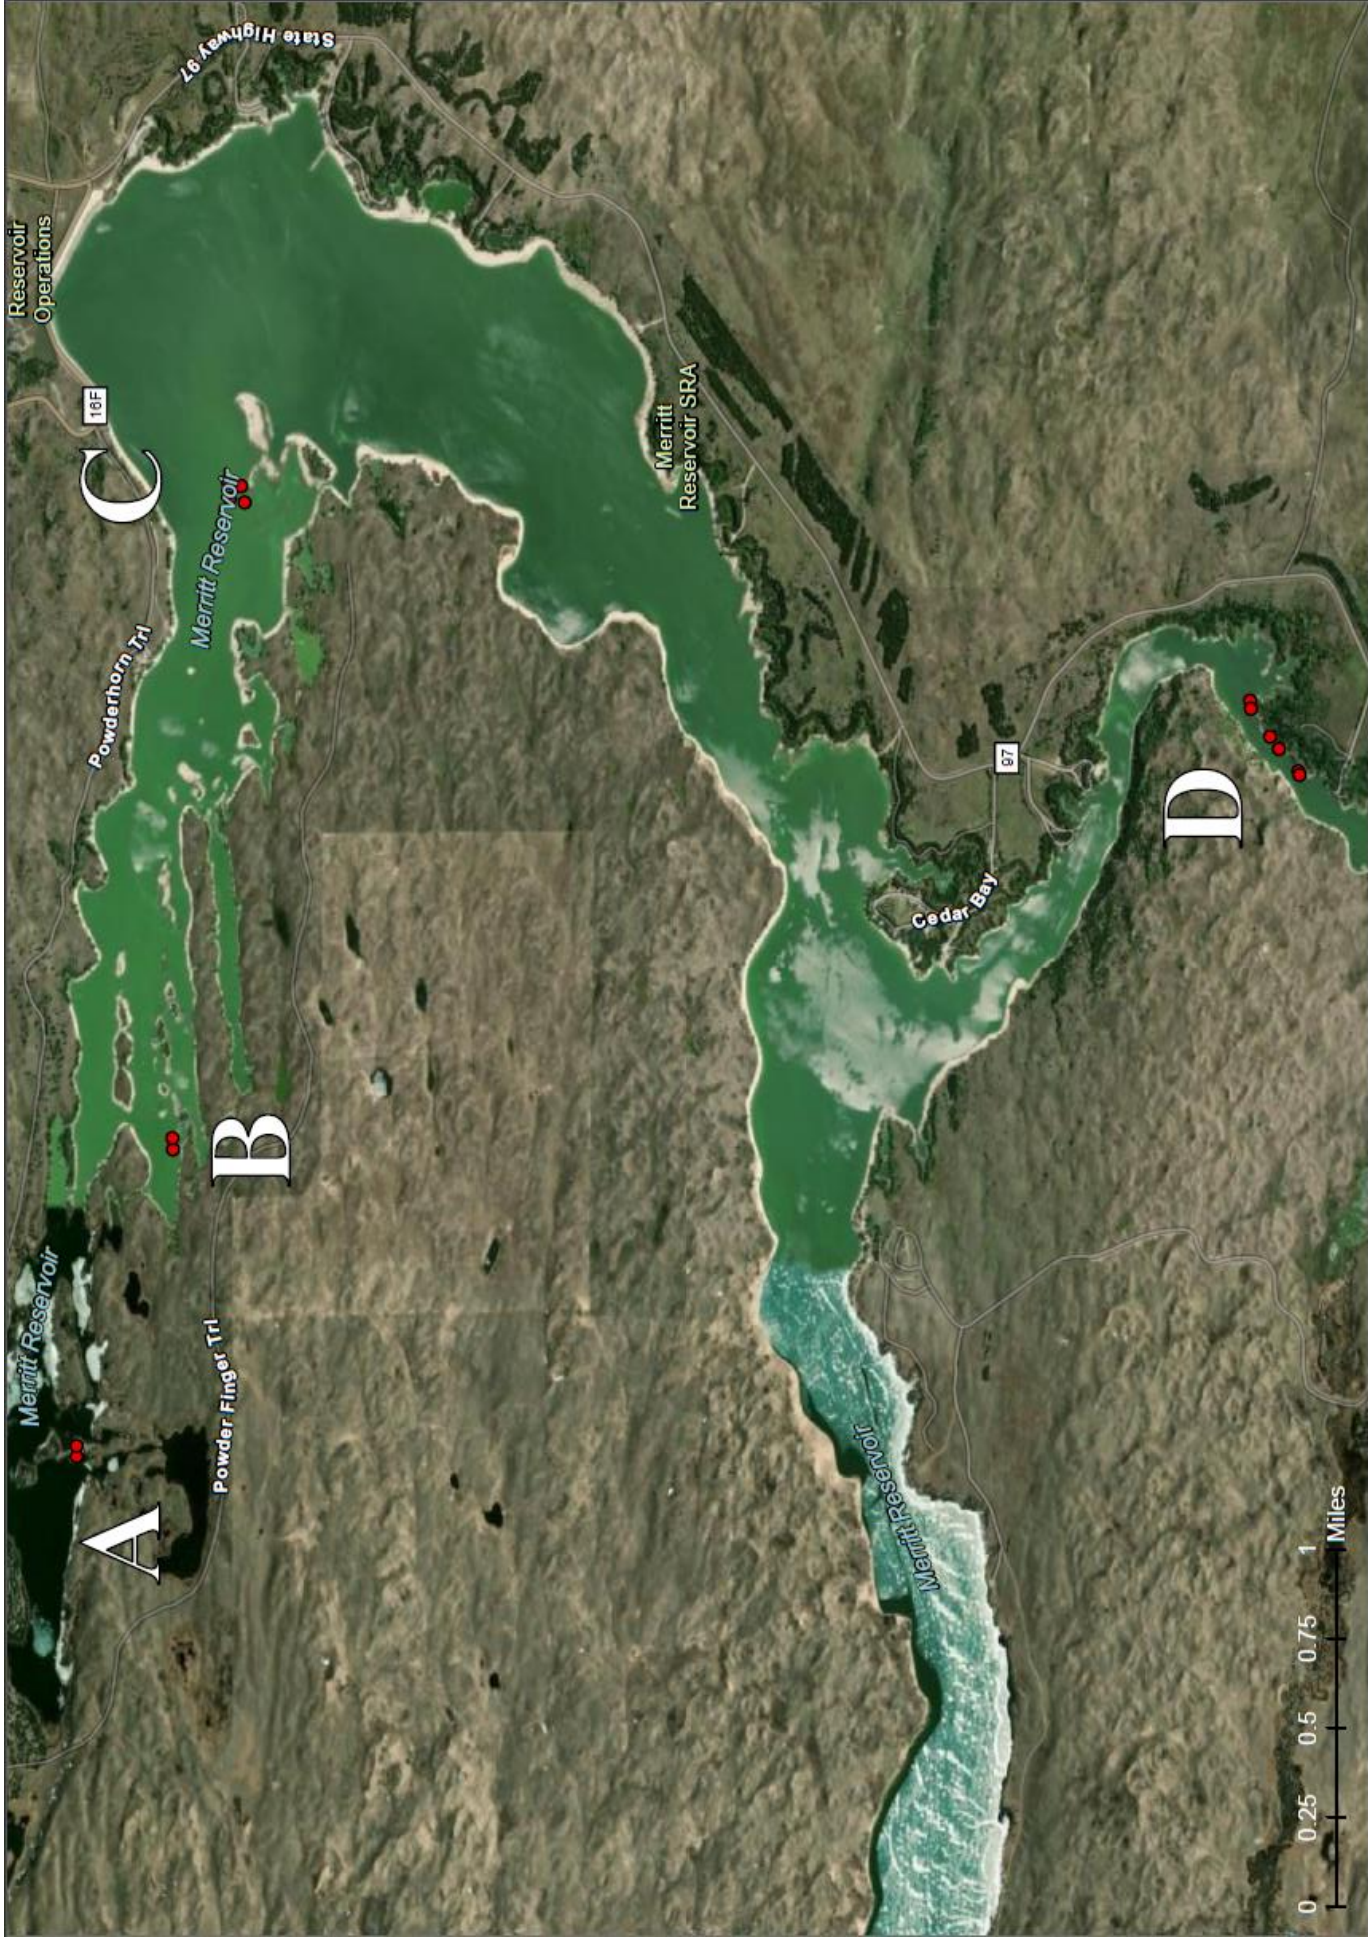

Zachary Brashears, Joe Rydell

Northwest District, Fisheries Division

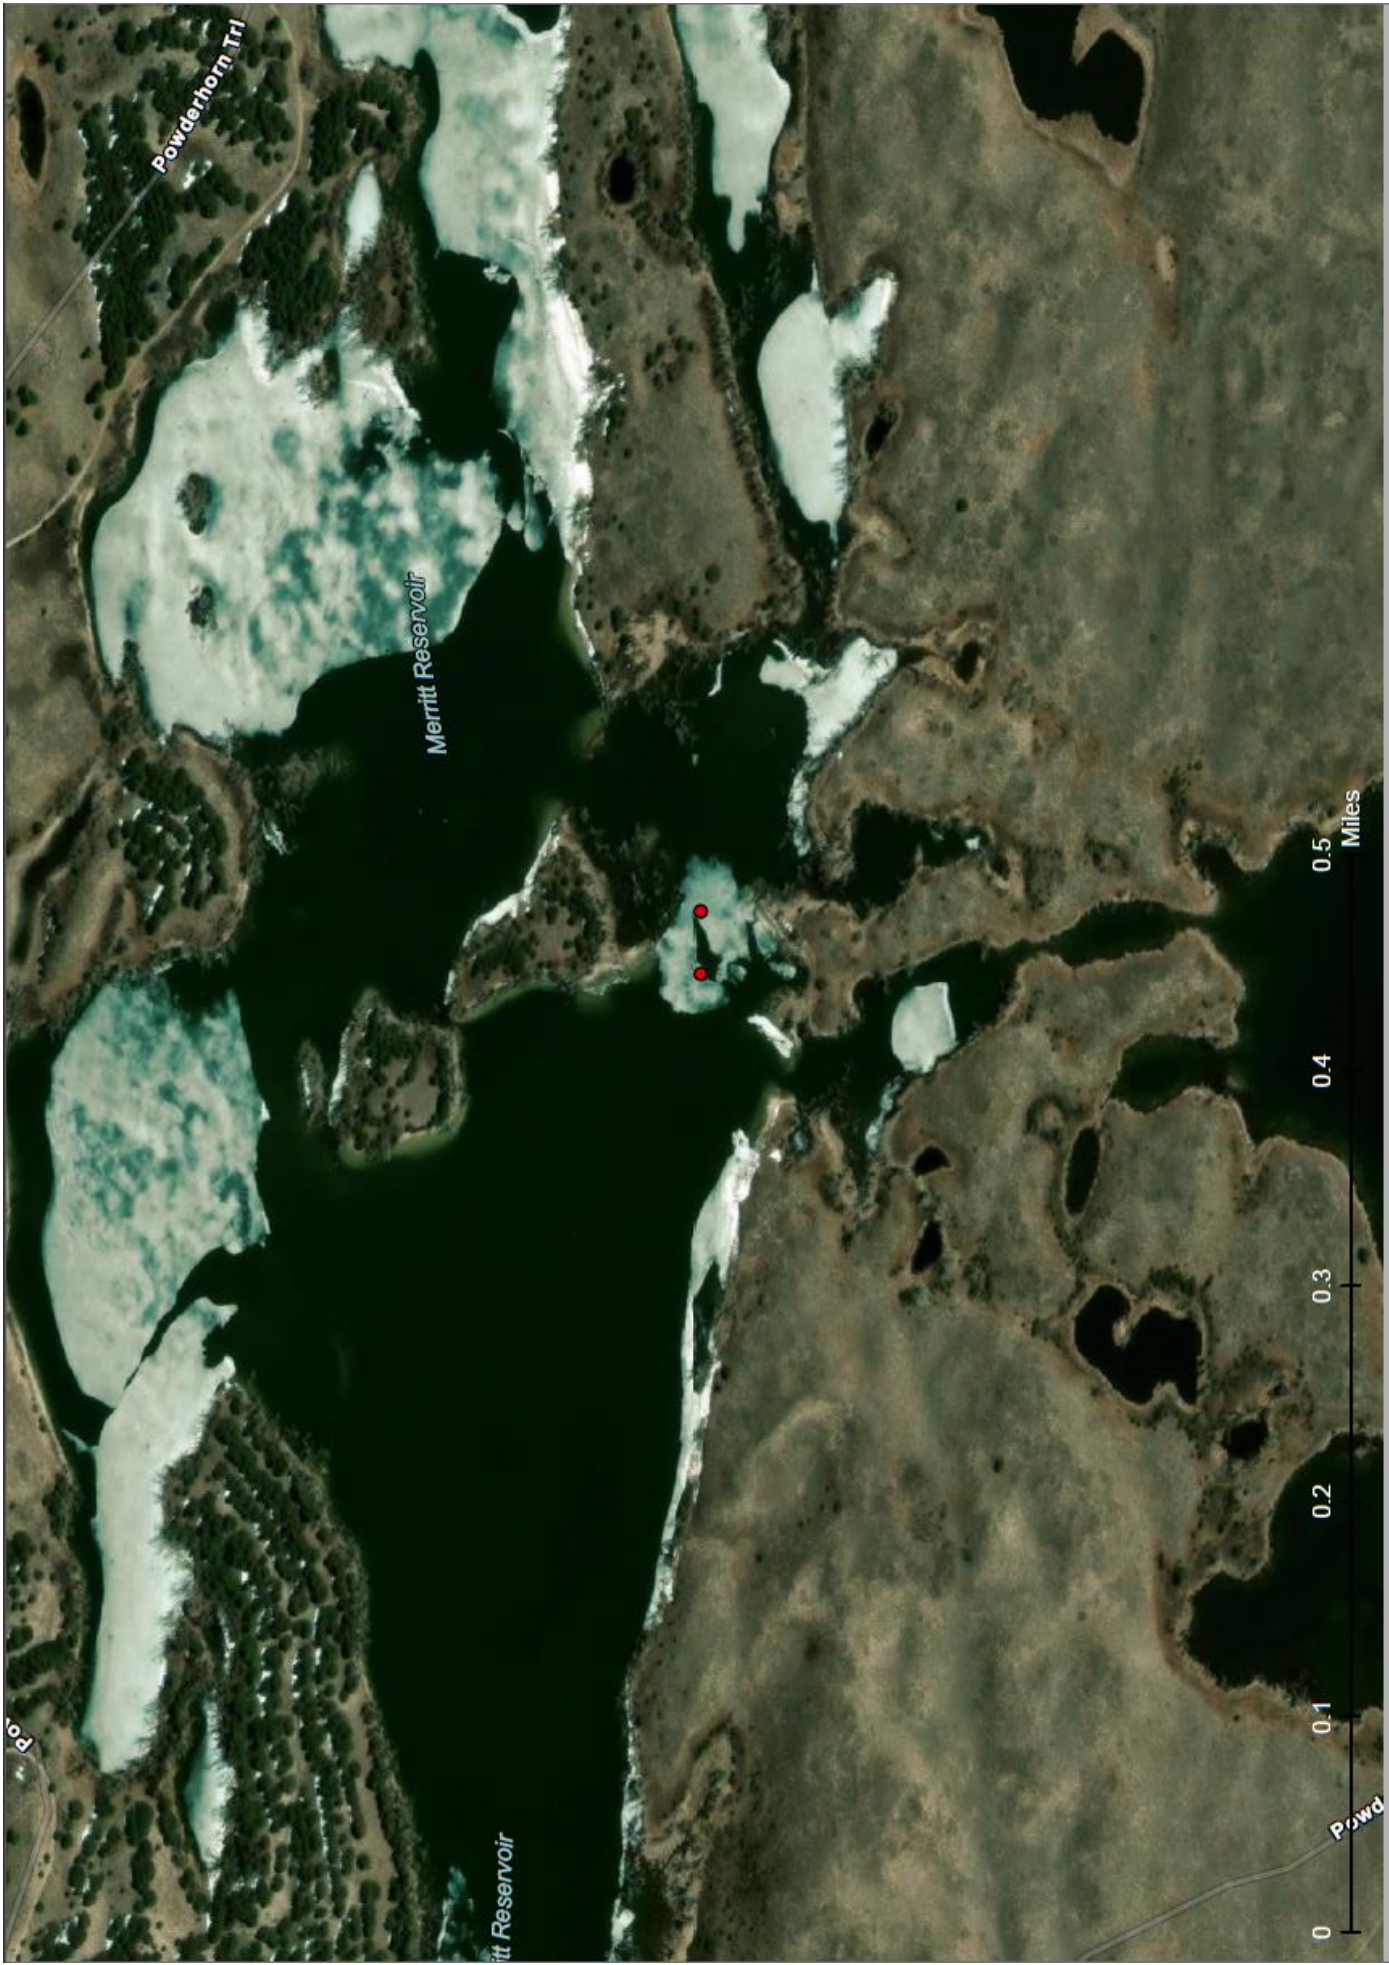

Nebraska Game and Parks Commission

In August/September of 2020, biologists and temporary staff as part of an Aquatic Habitat Project placed Georgia Cubes at Merritt Reservoir. Below is an overview of the project, including photos, map locations of the structures, and GIS coordinates for their placement. (Please note that the structure coordinates are approximate and serve as general guides, as the structure may shift.)
