FISH STOCKING REQUEST FORM

APPLICANT CONTACT INFORMATION

Applicant Name Which best describes the applicant?

Applicant Address Phone Number

City State Zip Code

Email Address Contact Preference

WATERBODY INFORMATION

Waterbody Name County Do livestock use or have access to the waterbody?

Latitude Longitude Are any fish present in the waterbody?

Surface Acres When Full Maximum Depth When Full Waterbody Type

Is the Applicant named on this request form the sole owner of the waterbody described above?
 All owners or HOA's/Lake Association boards have to be in concurrence with this stocking request or the request will be denied.

For waterbody's with multiple owners, HOA's or lake associations, are all other owners and/or the HOA/lake association in agreement with this stocking request?

Is fishing allowed with landowner permission?
 Waterbody owners still retain all trespass rights, even if NGPC stocks the waterbody. An angler must still obtain permission to fish from the property owner.

Is a fee charged to fish the waterbody?
 Any sort of trespass fee to enter the property, access the waterbody or to fish the waterbody would result in the disqualification of the Fish Stocking Request.

Note: The kind and number of fish provided will be determined by NGPC Fisheries Biologist after review of this request and an on-site inspection of the waterbody. By submitting this Fish Stocking Request Form, permission is granted for NGPC to enter the property listed to inspect and potentially stock fish in the waterbody. The deadline for receiving stocking request forms is **June 15** for stocking during that calendar year. Please complete this form accurately and completely for **each waterbody** you are requesting fish to be stocked. Failure to do so may mean disqualification.

I herein request fish for stocking from NGPC. I understand & agree that all fish provided by NGPC are only to be stocked into the waterbody described on this form. A valid Nebraska fishing permit is required of every angler 16 years of age or older upon completion of this stocking. This waterbody is to be open to fishing by landowner permission, and no trespass fee charged.
