INFORMATION

Researchers at the University of Nebraska at Omaha are looking for sightings of **EASTERN SPOTTED SKUNKS** in Nebraska.

- ✓ Little is known about the spotted skunk (AKA polecat or civet cat) in Nebraska.
- ✓ We rely on public sightings to help us better understand the status of the species in the state.
- ✓ **Please report any observations, past or present, from roadkill, trail cameras, or visual encounters.**

HOW TO REPORT

- ✓ Please email location and photographs to:
ngpc.spottedskunk@nebraska.gov
- ✓ Call: 402-471-5708

Private location information will not be shared publicly.
