# LIFETIME PERMITS AND STAMPS

RESIDENTS and NONRESIDENTS

NEBRASKA  
- GAME PARKS -

»OutdoorNebraska.gov

Nebraska Lifetime Permits and Stamps are the bargain of a lifetime for both the outdoor enthusiast and for Nebraska’s wildlife and fisheries resources.

For the dedicated hunter or angler, the permits and stamps offer virtually unlimited recreational opportunities. Depending on the lifetime permit purchased, they eliminate the need for the annual small game hunt, resident fur harvest, fishing or combination hunt/fish permit. At the same time, money from their sale goes into a special escrow account, and only the interest can be used each year. This means that the wildlife and fisheries management can enjoy an increasingly stable financial base as the years go by.

Lifetime Permits and Stamps are available to residents and, except for fur harvest permits, nonresidents, as well. Once these permits are issued, they are valid for the holder’s lifetime, regardless of his or her place of residence at a later date. There is no age limit for Lifetime Permits, meaning parents, grandparents or others can purchase permits for children of any age provided they have a Social Security Number for the child.

### WHAT DO I GET?

The Nebraska Game and Parks Commission believes a Lifetime Permit should live up to its name and last a lifetime. Therefore, in addition to the regular paper license, each permit or stamp comes with an enameled brass plate, engraved with the person’s name, permit number and date of birth, and a carrying case.

Since either the paper license or brass plate are accepted when afield, some people have chosen to have the brass plate mounted for display in their dens or offices. As an added convenience, the annual stamps can be purchased at OutdoorNebraska.gov and can be printed on the paper copy of your lifetime permit.

### HOW CAN I OBTAIN LIFETIME PERMITS AND STAMPS?

Lifetime Permits and Stamps are available at **OutdoorNebraska.gov**, or mailing in an application to the Lincoln office or purchasing them at Game and Parks offices that sell electronic permits.

An application form is included in this pamphlet, and additional copies are available from permit agents and Game and Parks offices across the state. Permits and stamps are processed as quickly as possible upon receipt, usually the same day. However, engraving can take up to two weeks. Ordinarily, permits are mailed within a week via First Class U.S. Mail.

Please allow extra time during the Christmas season, since processing, engraving and mail delivery all take more time during this period.

### WHAT ABOUT GIFTS?

Anyone may purchase a Lifetime Permit as a gift for another person. However, they must provide all the vital statistics requested on the application form, including the last four digits of the Social Security Number. It is not necessary, though, to obtain the applicant’s signature. In this case, the donor may sign instead.

Please indicate on the application if the permit is for a gift and where it is to be mailed if not to the person issued. Also, gift cards and envelopes are provided with permits/stamps purchased as gifts.
