

# Nebraska Game and Parks Commission's Habitat Partners Section Regional Boundaries

The regional boundaries displayed are for general guidance.

In the Northwest District, Matt Steffl will generally be handling wetland, lake, and stream projects in Shelley's coverage area and Shelley will be covering the other projects.

In the Northeast District, Scott Wessel will generally be handling Grants, Partnerships, and WRE; Jason Thiele will generally be handling Open Fields and Waters, Berggren Pheasant Plan, and EQIP Wildlife Incentives Program; Kyle Schumacher will generally be handling Fire Coordinator issues, Great Plains Grassland Initiative, and Working Lands for Wildlife; and Cassidy Wessel will generally be handling wetland and stream projects, and be the Tribal Liaison.

Jordan Haubold is the Rainwater Basin Wetlands Habitat Specialist. She will assist with private land projects in the Rainwater Basin, however for initial projects please contact the biologist listed for the county the project is in.

In some cases, the boundary lines may vary due to the program being delivered, location of the project, workload, etc.
